The worksheet is designed for children to practice drawing and tracing. It contains a large rectangular area with a black border. At the top left of this area is a simple line drawing of a sailboat with a white sail, a black mast, and a small flag. The sailboat is positioned on a set of three horizontal wavy lines that represent water. Below the sailboat, there are seven more horizontal wavy lines, each intended for a child to draw a similar wave. On the left side of the frame, there are eight small, colorful symbols: a green checkmark, a blue circle, a blue 'x', a blue 'u', a purple 'l', a purple 's', a purple dash, a pink swirl, and a red starburst. These symbols are placed vertically along the left edge of the frame.
